Respondents are advised that Addendum No. 1 to 1220-050-2023-008 is hereby issued by the City. This addendum shall form part of the contract documents and is to be read, interpreted and coordinated with all other parts. The following information is provided to answer questions raised by Respondents for the above-named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Respondents or any sub-contractor not being familiar with this addendum. This Addendum No. 1 contains two (2) pages.

**REFER TO SCHEDULE B:**

Refer to Question 22 Sub-Contractors and add the following sentence at the end of the paragraph before the parenthesis:

“For sub-contractors proposed, specify experience in the right most column with arena floor replacements and super-flat slabs.”

**QUESTIONS AND ANSWERS:**

**Q.1.** This prequalification appears to be focused on companies with concrete slab construction/placement experience as no Refrigeration experience is listed as a requirement.

Is this correct?

Will certain [refrigeration] companies....be prequalified for the related Refrigeration scope of work, or will a separate prequalification be issued.

- A.1.** Respondents and their proposed sub-contractors (including concrete and refrigeration) should have prior experience as stated in Section 5 of Schedule A. A separate prequalification will not be issued as the City anticipates Respondents will apply noting all of their applicable sub-contractors to perform the work as specified with their own forces and listed sub-contractors.
- Q.2.** Please specify the CCDC construction contract type that will be used for the project. Please specify the project delivery type (Construction Management, Design Build, IPD, etc.)
- A.2.** The City is contemplating using a CCDC 2-2008 Stipulated Price Contract.
