QUESTIONS AND ANSWERS:

- Q1.** We have a different delivery/installation method than mentioned in the RFQ. We can supply the mulch and use blower trucks to distribute the mulch, which is more efficient. Is there a way that we can introduce this technology into this solicitation process?
- A1.** **No, the City obtains the mulch for no cost and some of the locations that require mulching are not accessible by trucks.**

All Addenda will become part of the Contract Documents.
