The City may apply the evaluation criteria on a comparative basis, evaluating the Submissions by comparing one Respondent's Submission to another Respondent's Submission. In determining whether or not to reject a Submission under this section, the City will consider whether the litigation is likely to affect the Respondent's ability to work with the City, its consultants and representatives and whether the City's experience with the Respondent indicates that there is a risk the City will incur increased staff and legal costs in the administration of an agreement if it is awarded to the Respondent.

Respondents should be aware the City is a "public body" defined by and subject to the *Freedom of Information and Protection of Privacy Act* of British Columbia.

Any party who intends to submit a response to this RFEOI/SOQ is specifically invited to independently verify the accuracy of the information contained herein.
- (c) The City shall not be obligated to review or accept any Submission and may reject any or all Submissions without giving reasons therefore.
- (d) All negotiations and discussions with Respondents are on a "without prejudice" basis and cannot be construed as an agreement, and/or otherwise unless expressly approved by City Council and a written agreement is signed by the City.
- (e) The City may negotiate with any one or more of the Respondents without having any duty or obligation to advise or allow any other Respondents to vary their Submission or otherwise negotiate with the City.
- (f) The City may enter into discussions to clarify issues related to any Submission. If at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached, the City may give notice terminating discussions, but is under no obligation to do so.
