Larry Berg, President & Chief Executive Officer, Anne Murray, Vice President Community & Environmental Affairs, and Craig Richmond, Vice President Airport Operations, Vancouver International Airport Authority were in attendance to make a presentation on airport initiatives and activities that are of importance to neighbouring communities.

Larry Berg, President & Chief Executive Officer noted:

- That passengers and cargo have increased significantly since 1992.
- That there are 26,000 jobs on Sea Island, and this increases by approximately 100 jobs per month.
- That the airport generates over 5.2 billion dollars in economic activity.
- That 15% of Sea Island employees commute from Surrey.
- That there are two transportation initiatives, an airport connector to Highway 99, and a rapid transit study to link Vancouver, Richmond and the airport.
- That airport facilities need to be improved, and there are ongoing renovations to provide better service to domestic passengers.
- That the Annual public meeting of the airport will be held on Thursday May 10, and Council is welcome to attend.

Anne Murray, Vice-President Community & Environmental Affairs, noted:

- That there are competing demands from the community for convenient travel with little or no noise.
- That the noise issue is the biggest challenge to airport operations.
- That they have a noise management program that recognizes the need for air travel, and the needs of the community.
- That there is a Noise Management Committee that has assisted with the development of a 20-year noise abatement plan.

- That there have been several restrictions on the use of the North Runway, including restriction on departures.
- That due to increased travel demand, the south runway has lineups waiting for departure.
- That they are proposing to open the North Runway for departures between 10 a.m. and 3 p.m.
- That there will be no new noise as a result of this operational change, but noise will be redistributed.

**2. John Greco**

John Greco was in attendance to discuss city cleanup for the entire city, and noted:

- That there are several areas in the City, and in the City Core that need to be cleaned up.
- That there has been garbage across from his building for three weeks.
- That developers and builders should be made to clean up their mess.
- That he would be pleased to drive the By-law Enforcement Officers to the various areas which need to be cleaned up.
- That by-laws should be enforced.
- That people would not complain about increased taxes if services were there.
- That delegations to Council should be permitted Monday night.

An area of particular concern was the building material and garbage in the back at 140 Street and 104 Avenue. He also referenced a site at 80 Avenue and King George Highway, and the Asian Centre as being areas of concern.
