A. DELEGATIONS

1. Parbin Nand

File: 0220-08; 0550-20-10

Parbin Nand was in attendance regarding a pitbull attack.

The following comments were provided:

- She was on her way to work when she was attacked by a pit bull dog on April 29, 2005
- The attack resulted in Ms. Nand suffering a broken wrist.
- She is currently waiting for surgery and is unable to work.
- The property owner does not want to take responsibility for the safety of the public and this vicious dog was on his property.
- The owner of the dog was renting an unauthorized suite from the property owner and the yard was not fenced.
- The property owner did not give information as to the owner of the dog until the dog owner had moved out of the basement suite and cannot be found.
- She feels that the property owner should be responsible for public safety, especially since there is a daycare in the vicinity.
- She stated she has no income and requests help to get the property owner or the City to take responsibility of this incident on city property at the time of attack.

The Mayor thanked Ms. Nand for her presentation and noted that staff would provide a report back to Council.
