**B. DELEGATIONS****C. OUTSTANDING BUSINESS****D. NEW BUSINESS**

1. **Surrey Green City Awards Update**
  - Staff advised that an internal staff working group will oversee the City Awards program and further noted that the decision making process will be confidential to ensure the winners are not revealed prior to the awards ceremony.

- The ESAC will recommend to Council one winner in each the following categories:
  - 1) Outstanding Individual
  - 2) Community Group
  - 3) Business
- Nominations for the awards can be done through the City website till Monday, June 5, 2017. The final package of nominations will be submitted in a Corporate Report for Council's consideration September 11, 2017 and the winners announced at the October 25 ceremony.

2. **Waste Reduction at Public Events**

File: N/A - Verbal

The Committee ensued discussion about reducing waste at public city events and the elimination of the use of polystyrene (Styrofoam) free products.

The following comments were made:

- The Chair noted for the new members that the issue of waste reduction at public events and the elimination of Styrofoam have been raised at past ESAC meetings. It was further noted that City hosted events (Fusion Festival, P4P and the Christmas Tree Lighting) have guidelines in place for waste reduction whereas other public events do not have any standards in place surrounding waste reduction and specifically, the use of polystyrene free products.
- The Committee noted that it is important to build awareness and educate the public on the impacts polystyrene products has on the environment.
- The Chair advised the ESAC of an initiative to provide vendors a dish (combination of plate/bowl) made up of recyclable materials intended to be distributed at public events such as Vaisakhi, to help promote awareness and education.
- The Committee resolved the following:
  - 1) FEST be invited to provide a presentation to the ESAC in May or June; and
  - 2) "Waste Reduction" be added to the ESAC Workplan for 2017.
